# ORDER GRANTING CANCELLATION OF AUTHORITY TO PROVIDE TELECOMMUNICATIONS SERVICES

This matter came before Chairman Sara Kyle, Director Deborah Taylor Tate and Director Pat Miller of the Tennessee Regulatory Authority (the "Authority" or "TRA"), the voting panel assigned to this docket, at a regularly scheduled Authority Conference held on March 17, 2003, upon the request of Enron Broadband Services, Inc. ("Enron") to cancel its authority to provide telecommunications services in Tennessee.

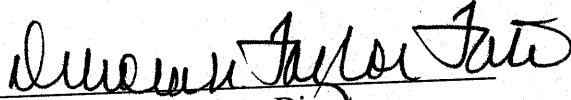

Enron originally filed its Application for Authority to Provide and Resell Local Exchange Telecommunications Services on September 1, 2000. Authority was granted pursuant to an order issued on January 11, 2001. In October of 2002, a letter was sent via certified mail to Enron advising the Company of its obligations pursuant to Tenn. Code Ann. § 65-4-125 (j). Enron responded by requesting the TRA cancel its authority.

Based upon careful consideration of the entire record of this matter, the voting panel assigned to this docket hereby grants the request of Enron to cancel its authority.

**IT IS THEREFORE ORDERED THAT**

The request of Enron Broadband Services, Inc. to cancel its Certificate of Public Convenience and Necessity as a Competing Telecommunications Service Provider in Tennessee is hereby granted and this Docket is administratively closed.
